Don't buy a Porsche 964 without buying this book first! Having this book in your pocket is just like having a real marque expert by your side. Benefit from Adrian Streater's years of Porsche ownership. Learn how to spot a bad car quickly and how to assess a promising one like a professional. Get the right car at the right price!

The Porsche 911 may been in production for over 40 years, but the modern water-cooled generation share little more than a philosophy with the first examples. Known worldwide by their Porsche internal type number, the 996 models represented a fresh start and offered a new standard in sports car performance and driving satisfaction. This new second edition packs in more specification data. We introduce all the 996 model types, describing the technical specifications, vehicle identification data, performance, colors and options. Using color photography of the cars and many actual problem areas, we introduce each model and what to look for when choosing and buying a used example.
