The void and tangle interacting - as visual artist John F Simon Jr noted in a conversation we had for his Drawing Your Own Path podcast - as a contemplative figure-ground reversal. In the tangle drawings I am working both very small and very large, the dynamic organic shapes at times resembling the proliferating microcosm of cells in the body, at others the expanding macrocosm of the universe.

If the thread is too long, the thread may tangle or fray. Most experienced cross stitchers prefer a length of 15 – 18 inches. Some inexperienced stitchers use longer strands in their needles, thinking this will save the time it takes to rethread the needle, but this can actually cause tangling instead, and thereby wastes time while you untangle the thread.
