Bold: How to Go Big, Create Wealth, and Impact the World ...

BOLD is an amazing sequel, a book that every entrepreneur should read. It is inspiring, filled with incredible insights and offers a practical how-to game plan for going big and impacting the world. Michael Dell. In **BOLD**, Diamandis and Kotler have written another dazzler.

Bold is a radical how-to guide for using exponential technologies, moonshot thinking, and crowd-powered tools to create extraordinary wealth while also positively impacting the lives of billions. A follow-up to the authors’ *Abundance* (2012).

"A visionary roadmap for people who believe they can change the world—and invaluable advice about bringing together the partners and technologies to help them do it." —President Bill Clinton A radical, how-to guide for using exponential technologies, moonshot thinking, and crowd-powered tools. **Bold** unfolds in three parts. **Part One** focuses on the exponential technologies that are disrupting today’s Fortune 500 companies and enabling upstart entrepreneurs to go from “I’ve got an idea” to “I run a billion-dollar company” far faster than ever before. The authors provide exceptional insight into the power of 3D printing, artificial intelligence, robotics, networks and sensors, and synthetic biology. **Part Two** draws on insights from billionaires such as Larry Page, Elon Musk, Richard Branson, and Jeff Bezos and reveals their entrepreneurial secrets. Finally, **Bold** closes with a look at the best practices that allow anyone to leverage today’s hyper-connected crowd like never before. Here, the authors teach how to design and use incentive competitions, launch million-dollar crowdfunding campaigns to tap into tens of billions of dollars of capital, and finally how to build communities—armies of exponentially enabled individuals willing and able to help today’s entrepreneurs make their boldest dreams come true.

Offers readers a how-to guide for harnessing the power of exponential technologies, moonshot thinking, and crowd-powered tools to create wealth while also positively impacting the lives of billions.

The authors document how four forces—exponential technologies, the DIY innovator, the Technophilanthropist, and the Rising Billion—are conspiring to solve our biggest problems. "Abundance" establishes hard targets for change and lays out a strategic roadmap for governments, industry and entrepreneurs, giving us plenty of reason for optimism.

From the New York Times bestselling authors of *Abundance* and **Bold** comes a practical playbook for technological convergence in our modern era. In their book *Abundance*, bestselling authors and futurists Peter Diamandis and Steven Kotler tackled grand global challenges, such as poverty, hunger, and energy. Then, in **Bold**, they chronicled the use of exponential technologies that allowed the emergence of powerful new entrepreneurs. Now the bestselling authors are back with *The Future Is Faster Than You Think*, a blueprint for how our world will change in response to the next ten years of rapid technological disruption. Technology is accelerating far more quickly than anyone could have imagined. During the next decade, we will experience more upheaval and create more wealth than we have in the past hundred years. In this gripping and insightful roadmap to our near future, Diamandis and Kotler investigate how wave after wave of exponentially accelerating technologies will impact both our daily lives and society as a whole. What happens as AI, robotics, virtual reality, digital biology, and sensors crash into 3D printing, blockchain, and global gigabit networks? How will these convergences transform today’s legacy industries? What will happen to the way we raise our kids, govern our nations, and care for our planet? Diamandis, a space-entrepreneur-turned-innovation-pioneer, and Kotler, bestselling author and peak performance expert, probe the science of technological convergence and how it will reinvent every part of our lives—transportation, retail, advertising, education, health, entertainment, food, and finance—taking humanity into uncharted territories and reimagining the world as we know it. As indispensable as it is gripping, *The Future Is Faster Than You Think* provides a prescient look at our impending future.

With passion and unflinching honesty, renowned tattoo artist and New York Times bestselling author Kat Von D chronicles her journey to develop greater personal strength by taking bigger risks in life, love, and her art in this stunning illustrated book. In *Go Big or Go Home*, her most intensely personal work yet, Kat Von D raises the expository and tattoo bar as she writes candidly about her greatest desires, fears, successes, and failures, and shares how she has dealt with them—for better or worse. In seven thematic essays, she addresses issues close to her heart—individuality, strength, creativity, independence, presence, wisdom, and altruism—and draws on engaging and inspiring stories from her own life and those of her clients throughout each section. Aligned with this focus on risk taking, making bold moves, and taking responsibility for her actions is Kat’s decision to create only large-scale tattoos especially for this book. Each tattoo represents a two-fold commitment: one from Kat as an artist, and the other from the client, for whom the tattoo almost always represents a significant event or a visible manifestation of his or her evolving inner self. Filled with Kat’s sketches, handwriting, and specially commissioned photographs of tattoos—both in process and complete—*Go Big or Go Home* features a range of astounding work both on regular citizens and the many celebrities who seek her out, including songwriter Linda Perry, Green Day’s Billie Joe Armstrong, actor Ewan MacGregor, rapper Game, and comedian Bobcat Goldthwait. Above all, this special book captures the candor, compassion, and enormous talent of an artist beloved by millions worldwide.

New York Times bestselling author Steven Kotler crafts a near-future thriller about the evolution of empathy. Hard to say when the human species fractured exactly. Harder to say when this new talent arrived. But Lion Zorn is the first of his kind—an empathy tracker, an emotional soothsayer, with a felt sense for the future of the we. In simpler terms, he can spot cultural shifts and trends before they happen. It’s a useful skill for a certain kind of company. Arctic Pharmaceuticals is that kind of company. But when a routine em-tracking job leads to the discovery of a gruesome murder, Lion finds himself neck-deep in a world of eco-assassins, soul hackers and consciousness terrorists. But what the man really needs is a nap. A unique blend of cutting-edge technology and traditional cyberpunk, *Last Tango in Cyberspace* explores hot topics like psychology, neuroscience, technology, as well as ecological and animal rights issues. The world created in *Last Tango* is based very closely on our world about five years from now, and all technology in the book either exists in labs or is rumored to exist. With its electrifying sentences, subtle humor, and an intriguing main character, readers are sure to find something that resonates with them in this groundbreaking cyberpunk science fiction thriller.

The Flow Genome Project director and award-winning author of *The Rise of Superman* charts the world-changing transformation of fictional scientific concepts into real-world technologies. Original. 10,000 first printing.

If you ever read "Rich dad poor dad" and "Think and Grow Rich" you would love to read "Think Big Grow Bigger." This book will help you to understand exactly your sequence of Actions that cause results. You'll enjoy in changing the sequence to gain better results. You'll enjoy to add some actions or delete that... you'll enjoy testing other sequences. The incredible fact is that you'll have the chance to recognize and apply the sequence of wealthy people. The *Stickies Strategy (r)* is really powerful!!! What happen if you need some help? The Author, Riccardo Proetto, is here to help you with seminars, courses and coaching. He applied this theory for himself. In 2009 he lost everything. Something like some million euros, house... car... everything. The problem: Even if he has frequented courses and seminars for himself, that is always a good thing, no one has explained to him how to avoid the same mistakes. He used a lot of strategies, listened a lot of guru... but what his was looking for was not the cure. He wanted the healing. He wanted to help people and himself to avoid mistakes, to accelerate the learning process, to recognize the actions sequence of everything: wealthy style, healthy style... The good news is that he found the solution and the funny thing is that everything is based on personal meanings. The result: the system is always applicable. If you'll have the opportunity to participate at one of his seminars you'll listen with your ears and you'll see with your eyes how is his story. Inside Of This Book You'll Discover The Results: To These Shocking Tests: 80% of modern millionares were able to get there on annual incomes of \$55,000 or less. Even meager savings eventually add up to thousands or millions of dollars.... (this one is almost dumb, cause it's SO easy) (Page 9) Net Worth Formula Simplified The rich have a net worth often double or triple the amount. The average American has less than half. The goal is to double your net worth. (Page 9) Sense of Spending The truly rich hold off gratification, knowing that what is trendy, popular or a must have today may not last until tomorrow. (Page 11) How interest affects your debt Pay more than the minimum on loans. The more you pay now, the less you pay later. (Page 13) Today millionaires spend more time selecting what to buy than buying the product itself. They look for the best bargain before laying their money down. (Page 15) THE STICKIES STRATEGY (r) ... I've seen during these years that our personal meaning of things is the real engine that let us go forward or backward. So I've developed the *Stickies Strategy*. You can find your exact sequence of actions through the "meanings" and improve or change that one...(Page 54) ...extra Steps: How to Use Your Passion to Succeed Over time, we often forget the passions of our childhood or even the ones we discover as we age." Take a stroll down memory lane and make a list. What would you do if you had all of the money you needed and didn't have to worry about paying your bills?"
