Congress to create a consumer financial regulator with clout.

An examination of how globalisation has harmed human rights.

Human rights have fallen on hard times, yet they are more necessary than ever. People all over the world – from

Download

Ebook

Amazonian villages to Iranian prisons – need human rights to gain recognition, campaign for justice, and save lives. But how can we secure a brighter future for human rights? What changes are required to confront the regime's weaknesses and emerging global challenges? In this

Download

Ebook

Cutting-edge analysis, Alison Brysk sets out a pragmatic reformist agenda for human rights in the twenty-first century. Tracing problems and solutions through contemporary case studies – the plight of refugees, declining democracies such as Mexico and Turkey, the expansion of

Download

Ebook

women's rights, new norms for indigenous peoples, and rights regression in the USA – she shows that the dynamic strength of human rights lies in their evolving political practice. This distinctive vision demands that we build upon the gains of the human rights regime to construct

Download

Ebook

new pathways which address historic rights gaps, from citizenship to security, from environmental protection to resurgent nationalism, and to globalization itself. Drawing on the author's extensive experience as a leading human rights scholar and activist,

The Future of Human

Download

Ebook

Rights offers a broad and authoritative guide to the big questions in global human rights governance today.

International Human Rights examines the ways in which states and other international actors have addressed human rights since

Download

Ebook

the end of World War II. This unique textbook features substantial attention to theory, history, international and regional institutions, and the role of transnational actors in the protection and promotion of human rights. Its purpose is to explore the difficult and contentious

Download

Ebook

politics of human rights, and how those political dimensions have been addressed at the national, regional, and especially international levels.

The fifth edition is substantially updated, rewritten, and revised throughout, including updates on multilateral institutions

Download

Ebook

(especially the UN's Universal Periodic Review process and the Human Rights Council's Special Procedures mechanisms), regional systems, human rights in foreign policy (including a specific chapter on U.S. foreign policy), humanitarian

of the globe.

For Justice

The prison has often
been the focus for

concerns about

human rights

violations, and

campaigns aimed at

achieving social

justice, for those with

an interest in the

criminalisation of

women. To reduce

the number of women

Download

Ebook

imprisoned, a range of policy initiatives have been developed to increase the use of community-based responses to women in conflict with the law. These initiatives have tended to operate alongside reforms to the prison estate and are often defined as 'community

Download

Ebook

'punishment',
'community
sanctions' and
'alternatives to
imprisonment'. This
book challenges the
contention that
improved regimes and
provisions within the
criminal justice
system are capable of
addressing human
rights concerns and
the needs of the

Download

Ebook

Criminalised woman.

This book aims to provide a critical analysis of approaches and experiences of penal sanctions, human rights and social justice as enacted in different jurisdictions within and beyond the UK. Drawing on international knowledge and

Download

Ebook

expertise, the contributors to this book challenge the efficacy of gender-responsive interventions by examining issues affecting women in the criminal justice system such as mental health, age, and ethnicity. Crucially, the book will engage with the

Download

Ebook

paradox of
implementing rights
within a largely
punishment-
orientated system.

This book will be of
interest to those
taking undergraduate
and post-graduate
courses that examine
punishment, gender
and justice, and which
lend themselves to an
