dragon. The same term has also been extended to parallel concepts in the Middle East and North Africa, such as the abstract conflict of ideas in the Egyptian duality of Maat and ...

Chaos (cosmogony) - Wikipedia
Human behavior, much like nature, follows predictable patterns. But slight changes--in both types of patterns--can cause unpredictable, even chaotic situations. This paper examines how project professionals can improve their project outcomes by using chaos theory to improve project management practices. In doing so, it describes the benefits that chaos generates, listing the critical factors ...
