From Barbara Carrellas, sex expert and author of the best-selling book Urban Tantra, comes Ecstasy is Necessary. This is not your average tips-and-techniques sex book; rather it is an exploratory journey of the sexual self and the infinite possibilities of ecstasic expression. In Ecstasy is Necessary, Carrellas teaches readers how to discover, nurture, expand, and embrace their authentic, ever-evolving, sensual, sexual self. Everyone goes through different phases of sexual expression and desire, and there are an infinite number of erotic and ecstasic possibilities available at all points along the way. The insights readers will gain in their journey with Carrellas will help them confidently approach sex and relationships in a way that works for them no matter where they are in their sexual evolution. They will get tools for solving the inevitable challenges that arise. They'll even receive permission not to have sex at all, if that's what's right for them, because it is possible to create ecstasic experiences even when sex itself is not possible, available, or appropriate. Using stories and simple exercises, Carrellas helps readers understand how they are wired for sex and relationships, what their personal warning signs look like, and what they need for optimum care. Plus, they'll learn how to effectively communicate this information to others so that they can be loved more easily and effectively. As readers discover their authentic sexual selves, they will learn how to create the conditions that allow more and more of their experiences and relationships to be opportunities for-and invitations to-ecstasy.

In the fast-paced world of today, couples struggle to find time and energy for sex amidst work, kids, friends, family, as well as all other life responsibilities and commitments. And in general, slow, sensual lovemaking is one element of life to be put on hold when so little time exists. However, what makes love and sex luxurious is taking the time to slow down and really enjoy it. When you can immerse yourself completely into the experience of either giving or receiving, time ceases, trust increases, intimacy deepens, and you reprogram the way you imagine, breathe, gaze, move, taste, touch, and connect. Luxurious Loving teaches couples new, fun, and exiting ways to reincorporate erotic and sensual techniques to their lovemaking sessions. Examining ancient sexual practices and philosophies, such as Tantra and the Kama Sutra, as well as modern sexual conventions, Luxurious Loving instructs readers on how to explore each other's bodies through sensual head-to-toe touching, kissing, erotic massage, oral sex, masturbation, and numerous other playful turn-ons. Artistic, full-color photography will be featured throughout. This book will inflame passion and s-l-o-w down your sex while ultimately extending your pleasure. "Barbara Carrellas is my favorite sex educator on the planet. She's classy, sassy and wise with vast sexual experience. In Luxurious Loving, Barbara graciously shares her expertise in the most delightful ways. I'm crazy about this book: It's full of superb information; it's great fun and it's sexy, sexy, sexy. Guaranteed to enhance absolutely anyone's sex life." Annie Sprinkle, Ph.D. - Sex worker turned sexologist, and author of Dr. Sprinkle's Spectacular Sex-Make Over Your Love Life.

An essential exploration of why and how women's sexuality works—based on groundbreaking research and brain science—that will radically transform your sex life into one filled with confidence and joy. Researchers have spent the last decade trying to develop a “pink pill” for women to function like Viagra does for men. So where is it? Well, for reasons this book makes crystal clear, that pill will never be the answer—but as a result of the research that’s gone into it, scientists in the last few years have learned more about how women’s sexuality works than we ever thought possible, and Come as You Are explains it all. The first lesson in this essential, transformative book by Dr. Emily Nagoski is that every woman has her own unique sexuality, like a fingerprint, and that women vary more than men in our anatomy, our sexual response mechanisms, and the way our bodies respond to the sexual world. So we never need to judge ourselves based on others’ experiences. Because women vary, and that’s normal. Second lesson: sex happens in a context. And all the complications of everyday life influence the context surrounding a woman’s arousal, desire, and orgasm. Cutting-edge research across multiple disciplines tells us that the most important factor for women in creating and sustaining a fulfilling sex life, is not what you do in bed or how you do it, but how you feel about it. Which means that stress, mood, trust, and body image are not peripheral factors in a woman’s sexual wellbeing; they are central to it. Once you understand these factors, and how to influence them, you can create for yourself better sex and more profound pleasure than you ever thought possible. And Emily Nagoski can prove it.

Now in hardcover with a new introduction! This exhilarating book provides sexual techniques and positions for ritual intercourse that will flood you with overwhelming physical ecstasy and activate expanded states of consciousness. These tantric practices teach you how to build sexual love and passion to an amazing peak?and how to push your mind even higher to achieve transcendental bliss. Bring holiness and magick into your sexual relationship with Ecstasy Through Tantra. Discover the God/Goddess as incarnate in your beloved, and experience the same Divinity within yourself, through the joy of complete physical and spiritual union.

Take your sex life-and your relationship-to new heights in just twenty-eight days! "28 Days to Ecstasy for Couples "can help you and your partner rekindle lost passion, intensify your lovemaking, and experience a sublime spiritual connection. Perfect for today's busy culture, this step-by-step, illustrated guide to Tantric sex features simple, fun exercises that take twenty minutes or less. Discover how to extend lovemaking, become multiorgasmic, control sexual energy, and engage in sexual, ceremonial, and ritual play. But physical pleasure isn't the only reward. Each activity also includes inspirational messages and lessons in trust, communication, and intimacy. By practicing sacred love, you'll reap the delights of improved health and vitality and a fulfilling sexual and spiritual relationship.

Tantra—often associated with Kundalini Yoga—is a fundamental dimension of Hinduism, emphasizing the cultivation of “divine power” (shakti) as a path to infinite bliss. Tantra has been widely misunderstood in the West, however, where its practices are often confused with eroticism and licentious morality. Tantra: The Path of Ecstasy dispels many common misconceptions, providing an accessible introduction to the history, philosophy, and practice of this extraordinary spiritual tradition. The Tantric teachings are geared toward the attainment of enlightenment as well as spiritual power and are present not only in Hinduism but also Jainism and Vajrayana Buddhism. In this book, Georg Feuerstein offers readers a clear understanding of authentic Tantra, as well as appropriate guidance for spiritual practice and the attainment of higher consciousness.

Use of the drug ecstasy, once confined to the teen rave scene, and college campuses, is exploding across America. Ecstasy: The Complete Guide takes the first unbiased look at the risks and the benefits of this unique drug, including the science of how it works; its promise as a treatment for depression, post-traumatic stress disorders, and other mental illnesses; and how to minimize the risks of use.

Famed tantric practitioner and teacher Margot Anand has led a life of spiritual bliss and erotic ecstasy. This book recounts the fascinating adventures, turning points, and breakthroughs on her path from sex to awakening, and it includes techniques and exercises to help you connect to the powerful energy of the erotic spirit.

The Llewellyn Practical Guide to Astral Projection by Denning and Phillips is simply the best step-by-step set of lessons for learning this skill ever published. Over a quarter-million people are using this book to help them learn this valuable skill. If you want to learn how to project your consciousness onto the astral plane, you should use it, too. First, as the book shows, this skill is natural. You do it all the time (in dreams, for example.) In a sense, it is more natural than walking. It is a skill you can develop with practice. Further, it allows you to have spiritual experiences on the astral plane. Plus, what you create on the astral plane creates changes on the physical plane. This is true magick! Heal someone on the astral and they will be healed on the physical. Create opportunities on the astral and you will have them on the physical. You can even experience sex on the astral plane for one of the most dynamic experiences you will ever have. And you can learn how to do all of this in The Llewellyn Practical Guide to Astral Projection. But it is not only the information in this book that makes it easy to understand and use. The very design of each chapter ? as well as the illustrations, photos, charts, etc. ? make it easy for you to learn the techniques to consciously control your astral projection experiences. The book begins by showing you what astral projection is and what it is not, what can happen and what is fantasy. As a result, you will discover that astral projection can be safe, comforting, exhilarating, and fun. Then you will learn methods of being able to let your consciousness leave your body and safely explore the astral plane. With this book in hand you can explore realms you've only dreamed of. Make your dreams a reality.

A NEW YORK TIMES NOTABLE BOOK It is 1901 and Buffalo, New York, stands at the center of the nation's attention as a place of immense wealth and sophistication. The massive hydroelectric power development at nearby Niagara Falls and the grand Pan-American Exposition promise to bring the Great Lakes "city of light" even more repute. Against this rich historical backdrop lives Louisa Barrett, the attractive, articulate headmistress of the Macaulay School for Girls. Protected by its powerful all-male board, "Miss Barrett" is treated as an equal by the men who control the life of the city. Lulled by her unique relationship with these titans of business, Louisa feels secure in her position, until a mysterious death at the power plant triggers a sequence of events that forces her to return to a past she has struggled to conceal, and to question everything and everyone she holds dear. Both observer and participant, Louisa Barrett guides the reader through the culture and conflicts of a time and place where immigrant factory workers and nature conservationists protest violently against industrialists, where presidents broker politics, where wealthy "Negroes" fight for recognition and equality, and where women struggle to thrive in a system that allows them little freedom. Wrought with remarkable depth and intelligence, City of Light remains a work completely of its own era, and of ours as well. A stirring literary accomplishment, Lauren Belfer's first novel marks the debut of a fresh voice for the new millennium and heralds a major publishing event.
