E-commerce's second wave is all about the customer experience.

Hartmann was speaking at the 2015 Post-Expo held in Paris, where one of the central themes was how to make the most of the e-commerce boom. Postal operators were the lucky beneficiaries of the first wave of e-commerce. As the established B2C carriers, typically with a network that reached almost the entire population, postal operators gorged themselves on the early fruits of the e-commerce harvest.
