Perhaps that's the essence of a love letter, to celebrate the unique. I had tried to match hers, but all that sincerity would permit me were the facts, and they seemed miraculous enough to me: a beautiful woman loved and wanted to be loved by a large, clumsy, balding fellow who could hardly believe his luck.

To her family, Natalie Seebring is a woman who values appearance above all else: exquisitely mannered, a supportive wife, and head of a successful wine-producing enterprise. So when she announces plans to marry a vineyard employee mere months after the death of her husband, her son and daughter are stunned. Faced with their disapproval, Natalie decides to write a memoir to fully explain. Olivia Jones is a dreamer, living vicariously through the old photographs she restores. She and her daughter cling to the fantasy that a big, happy family is out there just waiting for them. When Natalie hires Olivia to help with her memoir, a summer at Natalie ’ s vineyard by the sea seems the perfect opportunity to live out that fantasy. But all is not as it seems. As the illusion of an idyllic existence comes crashing into reality, the lives of these two women, parallel in so many ways, collide in an emotional and unforgettable manner.

From the number-one bestselling author of *The Nightingale* and *The Great Alone* comes a powerful American epic about love and heroism and hope, set during the Great Depression, a time when the country was in crisis and at war with itself, when millions were out of work and even the land seemed to have turned against them.

“ My land tells its story if you listen. The story of our family. ”  
Texas, 1921. A time of abundance. The Great War is over, the bounty of the land is plentiful, and America is on the brink of a new and optimistic era. But for Elsa Wolcott, deemed too old to marry in a time when marriage is a woman ’ s only option, the future seems bleak. Until the night she meets Rafe Martinelli and decides to change the direction of her life. With her reputation in ruin, there is only one respectable choice: marriage to a man she barely knows. By 1934, the world has changed; millions are out of work and drought has devastated the Great Plains. Farmers are fighting to keep their land and their livelihoods as crops fail and water dries up and the earth cracks open. Dust storms roll relentlessly across the plains. Everything on the Martinelli farm is dying, including Elsa ’ s tenuous marriage; each day is a desperate battle against nature and a fight to keep her children alive. In this uncertain and perilous time, Elsa—like so many of her neighbors—must make an agonizing choice: fight for the land she loves or leave it behind and go west, to California, in search of a better life for her family. The Four Winds is a rich, sweeping novel that stunningly brings to life the Great Depression and the people who lived through it—the harsh realities that divided us as a nation and the enduring battle between the haves and the have-nots. A testament to hope, resilience, and the strength of the human spirit to survive adversity, The Four Winds is an indelible portrait of America and the American dream, as seen through the eyes of one indomitable woman whose courage and sacrifice will come to define a generation.

Ten years into their marriage, Abbie faces a life-threatening illness. Her husband Doss battles the disease with her every step of the way. "Where the River Ends" chronicles their love-filled, tragedy-tinged journey and a bond that transcends all.

Julie Harmon works “hard as a man,” they say, so hard that at times she’s not sure she can stop. People depend on her to slaughter the hogs and nurse the dying. People are weak, and there is so much to do. At just seventeen she marries and moves down into the valley of Gap Creek, where perhaps life will be better. But Julie and Hank’s new life in the valley, in the last years of the nineteenth century, is more complicated than the couple ever imagined. Sometimes it’s hard to tell what to fear most—the fires and floods or the flesh-and-blood grifters, drunks, and busybodies who insinuate themselves into their new life. To survive, they must find out whether love can keep chaos and madness at bay. Their struggles with nature, with work, with the changing century, and with the disappointments and triumphs of their union make Gap Creek a timeless story of a marriage.

"Anne Rivers Siddons tells the beautiful, tragic, and redemptive story of a woman who searches for meaning after her husband dies"--Provided by publisher.

Ian McEwan brings us an unforgettable story—dark, gripping, and brilliantly crafted—of how life can change in an instant.

Bestselling author Mitch Albom returns to nonfiction for the first time in more than a decade in this poignant memoir that celebrates Chika, a young Haitian orphan whose short life would forever change his heart. Chika Jeune was born three days before the devastating earthquake that decimated Haiti in 2010. She spent her infancy in a landscape of extreme poverty, and when her mother died giving birth to a baby brother, Chika was brought to The Have Faith Haiti Orphanage that Albom operates in Port Au Prince.

With no children of their own, the forty-plus children who live, play, and go to school at the orphanage have become family to Mitch and his wife, Janine. Chika ' s arrival makes a quick impression. Brave and self-assured, even as a three-year-old, she delights the other kids and teachers. But at age five, Chika is suddenly diagnosed with something a doctor there says, “ No one in Haiti can help you with. ” Mitch and Janine bring Chika to Detroit, hopeful that American medical care can soon return her to her homeland. Instead, Chika becomes a permanent part of their household, and their lives, as they embark on a two-year, around-the-world journey to find a cure. As Chika ' s boundless optimism and humor teach Mitch the joys of caring for a child, he learns that a relationship built on love, no matter what blows it takes, can never be lost. Told in hindsight, and through illuminating conversations with Chika herself, this is Albom at his most poignant and vulnerable. Finding Chika is a celebration of a girl, her adoptive guardians, and the incredible bond they formed—a devastatingly beautiful portrait of what it means to be a family, regardless of how it is made.

the premise of this passionate, provocative, funny, searingly honest collection of original essays in which twenty-six women writers—ranging in age from twenty-four to sixty-five, single and childless or married with children or four times divorced—invite readers into their lives, minds, and bedrooms to talk about the choices they ' ve made, what ' s working, and what ' s not. With wit and humor, in prose as poetic and powerful as it is blunt and dead-on, these intriguing women offer details of their lives that they ' ve never publicly revealed before, candidly sounding off on:

- The difficult decisions and compromises of living with lovers, marrying, staying single and having children
- The perpetual tug of war between love and work, family and career
- The struggle to simultaneously care for ailing parents and a young family
- The myth of co-parenting
- Dealing with helpless mates and needy toddlers
- The constrictions of traditional women ' s roles as well as the cliches of feminism
- Anger at laid-back live-in lovers content to live off a hardworking woman ' s checkbook
- Anger at being criticized for one ' s weight
- Anger directed at their mothers, right and wrong
- And—well—more anger...

“ This book was born out of anger, ” begins Cathi Hanauer, but the end result is an intimate sharing of experience that will move, amuse, and enlighten. *The Bitch in the House* is a perfect companion for your students as they plot a course through the many voices of modern feminism. This is the sound of the collective voice of successful women today—in all their anger, grace, and glory. From *The Bitch In the House*: “ I believed myself to be a feminist, and I vowed never to fall into the same trap of domestic boredom and servitude that I saw my mother as being fully entrenched in; never to settle for a life that was, as I saw it, lacking independence, authority, and respect. ” —E.S. Maduro, page 5 “ Here are a few things people have said about me at the office: ‘ You ’ re unflappable. ’ ‘ Are you ever in a bad mood? ’ Here are things people—okay, the members of my family—have said about me at home: ‘ ‘ Mommy is always grumpy. ’ ‘ Why are you so

#1 New York Times Bestseller In *Being Mortal*, bestselling author Atul Gawande tackles the hardest challenge of his profession: how medicine can not only improve life but also the process of its ending. Medicine has triumphed in modern times, transforming birth, injury, and infectious disease from harrowing to manageable. But in the inevitable condition of aging and death, the goals of medicine seem too frequently to run counter to the interest of the human spirit. Nursing homes, preoccupied with safety, pin patients into railed beds and wheelchairs. Hospitals isolate the dying, checking for vital signs long after the goals of cure have become moot. Doctors, committed to extending life, continue to carry out devastating procedures that in the end extend suffering. Gawande, a practicing surgeon, addresses his profession's ultimate limitation, arguing that quality of life is the desired goal for patients and families. Gawande offers examples of freer, more socially fulfilling models for assisting the infirm and dependent elderly, and he explores the varieties of hospice care to demonstrate that a person's last weeks or months may be rich and dignified. Full of eye-opening research and riveting storytelling, *Being Mortal* asserts that medicine can comfort and enhance our experience even to the end, providing not only a good life but also a good end.
