Introduces the Mustang, discusses its evolution and racing history, and provides a brief overview of the Ford Motor Company.

Having this book in your pocket is just like having a real marque expert by your side. Benefit from the author's years of Mustang ownership, learn how to spot a bad car quickly, and how to assess a promising car like a professional. Get the right car at the right price!

Ford's 4.6-liter-powered Mustang is the last remaining "classic" muscle car in the world and is incredibly popular with performance enthusiasts. More than 1,000,000 Mustangs have been built since 1996. Covers all 4.6 and 5.4-liter "Modular" motors--Ford's only V8 engine for Mustangs, fullsize cars, and light trucks from 1996 to 2004.

The photos in this edition are black and white. Before the introduction of the 05+ models, 1994-'04 Mustangs represented a high-water mark for late-model Mustang enthusiasts. From the '94-'95s with the 5.0L, through the '96-'04 models with the 2- and 4-valve 4.6Ls, to the Bullitt, Mach 1, and factory supercharged '03-'04 Cobras - never before has such a range of highly modifiable performance cars been available. These Mustangs were great performers straight from the factory, but they can be even better with the right combination of performance parts. Regardless of which '94-'04 Mustang you start with, the availability of high-performance parts is impressive. You can build your Mustang for drag racing, road racing, or improved street performance - and High-Performance Mustang Builder's Guide 1994-2004 will show you how! Author Sean Hyland uses over 300 photos to explain how to upgrade your Mustang's engine, suspension, chassis, transmission, rear end, brakes, and body. There's even a special chapter on getting active in various forms of organized racing.

Having this book in your pocket is just like having a real marque expert by your side. Benefit from the author's years of Mustang ownership, learn how to spot a bad car quickly, and how to assess a promising car like a professional. Get the right car at the right price!

Mustang and Corvette are the only two models that have won the Motor Trend Car of the Year twice. While

each American original has followed a different path throughout the years, they are both in the same class in regards to quality and popularity. Can one really be better than the other? Readers will be presented with stats, fun facts, and handy charts to help settle this car battle for themselves.

The People's Choice! Was there ever a car that captured the imagination of the public like the Ford Mustang? From the rich and famous, to the down and out, to moms, dads, teens and seniors ... everybody seemed to love the Ford pony car. From the moment it landed in showrooms as a 1964 ½ model, the Mustang was a runaway winner. In *Mustang, The Original Pony Car*, you'll get a guided tour through every year of Mustang, from the original first-year coupes and convertibles, to the wildly popular Fox body cars of the 1980s and '90s, to the fantastic retro-styled fifth-generation 'Stangs of today. Get the full story of the Mustang's long and colorful life, complete with more than 200 photos covering every year of the car's history.

Author Steve Magnante is well known for his encyclopedia-like knowledge of automotive facts. The details he regularly shares, both in the pages of national magazines and as a contributing host and tech expert at the popular Barrett-Jackson Auctions on television, are the kinds of details that car fanatics love to hear. Many feel that these facts are among the highlights of television auction coverage, much more interesting than the final hammer price. Steve turns his attention to the most popular car in history, the Ford Mustang. In more than 50 years, the Mustang has taken many turns, from the original pony car, to variants that are best described as pure muscle cars, to the misunderstood Mustang II, to the Fox-Body platform that revived the brand, all the way to the modern Coyote- and Voodoo-powered supercars. Magnante covers them all here, generation by generation, so that Mustang fans of any generation are sure to love this collection. Whether you're an avid fan of all Mustangs, a trivia buff who wants to stump your friends, or have a particular affinity for a particular era of Mustangs, this book is an informative and entertaining collection of facts from one of the industry's most beloved and respected sources. Add this copy to your collection today.

Automatic AOD, BW 35/40, LE85/91/93/95/97, C4, C5, C6, C9, C10, FMX and M51. Manual 3 speed, 4 speed and 5 speed single rail, Top Loader, T5 and M57.
