Frank Sinatra hated “My Way” Frank Sinatra’s daughter later revealed that he actually despised this song for two reasons. One is that, being his signature track, he couldn’t shake free of it. And secondly he perceived “My Way”, according to Tina Sinatra, as being “self-serving and self-indulgent”. In fact Mr. Sinatra, in his own words, was upset that such a song “became a ...

book that Frank Sinatra tried—but failed—to keep from publication, and it's easy to understand why. This unauthorized biography goes behind the iconic myth of Sinatra to expose the well-hidden side of one of the most celebrated—and elusive—public figures of our time. Celebrated journalist Kitty Kelley spent three years researching government documents (Mafia-related material, wiretaps, and secret testimony) and interviewing more than 800 people in Sinatra's life (family, colleagues, law-enforcement officers, friends). The result is a stunning, often shocking exposé of a man as tortured as he was talented, as driven to self-destruction as he was to success.

Featuring a new afterword by the author, this fully documented, highly detailed biography—filled with revealing anecdotes—is the penetrating story of the explosively controversial and undeniably multitalented legend who ruled the entertainment industry for fifty

A candid and eye-opening inside look at the final decades of
Sinatra's life told by his longtime manager and friend, Eliot
Weisman. By the time Weisman met Sinatra in 1976, he was
already the Voice, a man who held sway over popular music and
pop culture for forty years, who had risen to the greatest heights of
fame and plumbed the depths of failure, all the while surviving with
the trademark swagger that women pined for and men wanted to
emulate. Passionate and generous on his best days, sullen and

unpredictable on his worst, Sinatra invited Weisman into his inner circle, an honor that the budding celebrity manager never took for granted. Even when he was caught up in a legal net designed to snare Sinatra, Weisman went to prison rather than being coerced into telling prosecutors what they wanted to hear. With Weisman's help, Sinatra orchestrated in his final decades some of the most memorable moments of his career. There was the Duets album, which was Sinatra's top seller, the massive tours, such as Together Again, which featured a short-lived reunion of the Rat Pack--until Dean Martin, having little interest in reliving the glory days, couldn't handle it anymore--and the Ultimate Event Tour, which brought Liza Minelli and Sammy Davis Jr. on board and refreshed the much-needed lining of both their pocketbooks. Weisman also worked with many other acts, including Steve Lawrence and Eydie

Gorme, and an ungrateful Don Rickles, whom Weisman helped get out from under the mob's thumb. Over their years together, Weisman became a confidant to the man who trusted few, and he came to know Sinatra's world intimately: his wife, Barbara, who socialized with princesses and presidents and tried to close Sinatra off from his rough and tough friends such as Jilly Rizzo; Nancy Jr., who was closest to her dad; Tina, who aggressively battled for her and her siblings' rights to the Sinatra legacy and was most like her father; and Frank Jr., the child with the most fraught relationship with the legendary entertainer. Ultimately Weisman, who had become the executor of Sinatra's estate, was left alone to navigate the infighting and hatred between those born to the name and the wife who acquired it, when a mystery woman showed up and threatened to throw the family's future into jeopardy. surprising, moving, and revealing stories, *The Way It Was* also shows a side of Sinatra few knew. As a lion in winter, he was struggling with the challenges that come with old age, as well as memory loss, depression, and antidepressants. Weisman was by his side through it all, witness to a man who had towering confidence, staggering fearlessness, and a rarely seen vulnerability that became more apparent as his final days approached.

A teen idol of the 1950s who virtually invented the singer/songwriter/heartthrob combination that still tops pop music today, Paul Anka rocketed to fame with a slew of hits—from "Diana" to "Put Your Head on my Shoulder"—that earned him a place touring with the major stars of his era, including Chuck Berry, Jerry Lee Lewis, and Buddy Holly. He wrote Holly's last hit, and just missed

joining the rocker on his final, fatal plane flight. Anka also stepped in front of the camera in the teen beach-party movie era, scoring the movies and romancing their starlets, including Annette Funicello. When the British invasion made his fans swoon for a new style of music-and musician--Anka made sure he wasn't conquered. A rapier-canny businessman and image-builder who took his career into his own hands-just as he had from the very beginning, swiping his mother's car at fourteen to drive himself, underage, to his first gigs in Quebec-Anka toured the world until he could return home in triumph. A charter member of the Rat Pack, he wrote the theme music for The Tonight Show as well as his friend Frank Sinatra's anthem "My Way". By the 1970s, a multi-decade string of pop chart-toppers, including "Puppy Love" and "(You're) Having My Baby", cemented his status as an icon. My Way is bursting with rich,

rollicking stories of the business and the people in Anka's life: Elizabeth Taylor, Dodi Fayed, Tom Jones, Michael Jackson, Adnan Khashoggi, Little Richard, Brooke Shields, Johnny Roselli, Sammy Davis, Jr., Brigitte Bardot, Barnum & Bailey Circus acrobats, and many more. Anka is forthcoming, funny and smart as a whip about the business he's been in for almost six decades. *My Way* moves from New York to Vegas, from the casino stage to backstages all over the world. It's the most entertaining autobiography of the year.

life story, by a lifetime fan who also happens to be one of the poetry world's most prominent voices. David Lehman uses each of these short pieces to look back on a single facet of the entertainer's story—from his childhood in Hoboken, to his emergence as “The Voice” in the 1940s, to the wild professional (and romantic) fluctuations that followed. Lehman offers new insights and revisits familiar stories—Sinatra's dramatic love affairs with some of the most beautiful stars in Hollywood, including Lauren Bacall, Marilyn Monroe, and Ava Gardner; his fall from grace in the late 1940s and resurrection during the “Capitol Years” of the 1950s; his bonds with the rest of the Rat Pack; and his long tenure as the Chairman of the Board, viewed as the eminence grise of popular music inspiring generations of artists, from Bobby Darin to Bono to Bob Dylan. Brimming with Lehman's own lifelong affection for

retrospective depictions. Until now. From Sinatra's closest confidant and an eventual member of his management team, Tony Oppedisano, comes an extraordinarily intimate look at the singing idol. Deep into the night, for more than two thousand nights, Frank and Tony would converse—about music, family, friends, great loves, achievements and successes, failures and disappointments, the lives they'd led, the lives they wished they'd led. In these full-disclosure conversations, Sinatra spoke of his close yet complex relationship with his father, his conflicts with record companies, his carousing in Vegas, his love affairs with some of the most beautiful women of his era, his triumphs on some of the world's biggest stages, his complicated relationships with his talented children, and, most important, his dedication to his craft. Toward the end, no one was closer to the singer than Oppedisano, who kept his own rooms at the

His plunge from the epitome of popularity is highly attributed to his clandestine affair with beautiful actress Ava Gardner. As a result, his TV show, personal appearances, recording sessions and movie audience attendance suffer greatly. His highly publicized separation and eventual divorce from wife Nancy leads to a tempestuous two-year marriage to the ravishing Ava. While Frank is unable to solve Ava's quintessence, he can never get over his profound, unyielding love for her. She remains the girl of his dreams. Following his motion picture Academy Award for Best Supporting Actor in the film "From Here To Eternity" in 1954, his career resurges to new and even greater heights.
