Volume IV of the General History of Africa(Africa from the Twelfth to the Sixteenth Century) under the direction of D.T. Niane engages the history of Africa from the twelfth to the sixteenth century. This period constitutes a crucial phase in the continent ' s history in which Africa developed its own culture and written records.

General History of Africa (UNESCO)

The General History of Africa is a two-phase project launched by UNESCO in 1964. The 1964 General Conference of UNESCO, during its 13th Session, instructed the Organization to undertake this initiative after the newly independent African Member States expressed a strong desire to reclaim their cultural identity, to rectify widespread ignorance about their Continent ' s history, and to break free of discriminatory prejudices. Phase One, which began in 1964 and was completed in 1999, consisted ...

General History of Africa - Wikipedia

The result was the elaboration of the General History of Africa into eight volumes (Phase I of the project). This huge task, completed in 1999, had a great impact in Africa and, beyond, within the scientific and academic circles and is considered as a major contribution to the knowledge of Africa ' s history and historiography.
