When millionaire and success guru Peter Hirsch--a devout Jew--met Christ, his definition of success changed instantly. When he added the New Testament to his understanding of the Scriptures, he discovered God's blueprint for passionate, successful living. In "Success by Design" he leads readers through ten steps to passionate, purposeful living as God intended it.

The legal industry has long been risk averse, but when it comes to adapting to the experience-driven world created by companies like Netflix, Uber, and Airbnb, adherence to the old status quo could be the death knell for today's law firms. In *The Client-Centered Law Firm*, Clio cofounder Jack Newton offers a clear-eyed and timely look at how providing a client-centered experience and running an efficient, profitable law firm aren't opposing ideas. With this approach, they drive each other. Covering the what, why, and how of running a client-centered practice, with examples from law firms leading this revolution as well as practical strategies for implementation, *The Client-Centered Law Firm* is a rallying call to unlock the enormous latent demand in the legal market by providing client-centered experiences, improving internal processes, and raising the bottom line.

"Educate design and legal professionals on the legal issues impacting the design industry"--

Everything designers need--besides talent! – to turn their artistic success into business success!

The design sector has expanded rapidly in recent years, and now covers a wide range of specialist disciplines from branding and communications to product, commercial interiors and digital. Yet design firms often lack long-term vision, strategies and plans, and research from the Design Council shows that far too many suffer from poor profitability. Shan Preddy believes that the more a design firm knows about business, the more successful it will be, both creatively and financially. That's why she has gathered over 80 design-sector experts from different fields - advisors, practitioners, clients and representatives from design

organisations - to provide you with information, suggestions, guidelines and thought-provoking opinions. Whether you're experienced or just starting out, *How to Run a Successful Design Business: The New Professional Practice* covers everything owners and managers of design firms need to know.

By following these best practices, you will be able to create a successful intranet management team, design a successful project plan and use the methods described in this report to successfully develop, launch and maintain your intranet into the future.

Want to make it big on Broadway—as a techie? Or how about working in smaller regional theater? *Careers in Technical Theater* explains more than twenty different careers from the perspective of successful theater artists. Included are specialties that have been around for decades, as well as those still emerging in the field. Concise information is provided on job duties, estimated earnings, recommended training, examples of career paths, and the insights are given of working pros in management, scenery, audio/visual, costumes, video and projection, engineering, and theatrical systems. There ' s even a detailed appendix on finding on-the-job training as an intern, apprentice, or paid worker. For anyone interested in a behind-the-scenes life in the theater, *Careers in Technical Theater* is a priceless resource. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

You don't have to learn your lessons the hard way anymore. Most designers have to learn their lessons through time and experience when it comes to the business and legal aspects of starting and running an interior design firm. Now, *Interior Design Law and Business Practices* makes the hard lessons easy. It is the first book to offer comprehensive coverage of all crucial business and legal aspects of starting and running an interior design firm. Written by an attorney with an all-star team of experts including accountants, marketing specialists, and successful design professionals, it teaches you important lessons about:

- * Setting up an interior design practice
- * Maintaining records and correspondence
- * Negotiating contracts with clients and contractors
- * Obtaining professional liability insurance
- * Marketing design services
- * Accounting for design firms
- * Handling and setting legal disputes
- * Licensing products and furniture designs
- * And much more
