How To Be Happy - The Secret of Authentic Happiness  
- Martin Seligman Learned Optimism Book

This is an excellent book written by world class authority on the psychology of depression and how to relieve its debilitating effects by adopting an optimistic attitude to life. At the beginning of the book he describes the experiments with dogs he undertook to prove that helplessness is a learned behaviour that can be unlearned which at the time was contrary to the prevailing view that depression was caused, in large part, due to defective genes or body chemistry or mysterious and deeply ...
