Sasha Martin's book Life from Scratch is a book that is both wonderful, fascinating, and heart breaking. Martin did not have the easiest childhood. It seems that challenge after challenge plagued her and her family. And yet, at the same time, she was living a fantasy life: spending time in France and other countries. Seemingly having everything.

From the shores of California to an island in the Mediterranean, FROM SCRATCH is a rich, sensual reading experience. Equal parts uplifting and devastating, it is a memoir of soul-searching beauty. As extraordinary and unique as Tembi Locke's life is, all readers will identify with the themes of love, family, and forgiveness. Highly recommended.
