Betty Friedan gathered feminists, liberals, Washington insiders, and other activists into a new organization to work for women's equality. NOW became one of the most well-known feminist groups and is still in existence. The founders of NOW set up task forces to work on education, employment, and a host of other women's issues.

The feminist movement (also known as the women's liberation movement, the women's movement, or simply feminism) refers to a series of political campaigns for reforms on issues such as reproductive rights, domestic violence, maternity leave, equal pay, women's suffrage, sexual harassment, and sexual violence, all of which fall under the label of feminism and the feminist movement. The movement's priorities vary among nations and communities, and range from opposition to female genital ...

Amanda Sebestyen joined the women's liberation movement in 1969 and the first UK radical feminist group in 1972. She worked on Spare Rib magazine from 1977-1981: The history of feminism and Spare Rib - The British Library .

~~Focus: The difference between feminism and women's ...~~

The United States pro-choice movement or the United States abortion-rights movement is a sociopolitical movement that supports the view that women should have the legal right to elective abortion. In 1973, the Supreme Court in the US struck down most state laws restricting abortion which decriminalized and legalized elective abortion in various states.
