In a constantly evolving service-led Indian economy, human resources have become the cornerstone of an organization's success. The management of human capability has become an art that has to be understood and mastered to run a successful enterprise. Human Resource Management: Text and Cases, 2e, explains the basic concepts of this discipline and presents cases that provide an insight into the challenges faced by HR professionals on a day-to-day basis. Going beyond the coverage of a traditional textbook, this book focuses on applied aspects of HRM, which capture the evolving challenges in the field. The authors have used their extensive real-world work experience in talent acquisition, and human resource development and retention to provide lucid explanation of all major concepts of human resource management. Replete with examples and cases, this title is a complete guide for all MBA students and HR practitioners. KEY FEATURES • Extensive coverage of HR best practices and innovations • Sample 'ready-to-use formats' of relevant documents • Thought-provoking chapter opening cases to set the context for learning in the text ahead • Application cases to showcase real-world implementation of concepts • PowerPoint slides and Question Bank for teachers

These fully revised and up-to-date new editions and answer guides from Wolinski and Coates provide comprehensive coverage of the AQA A-level Business specification. - Wolinski and Coates' comprehensive yet accessible style remains unchanged, covering everything students will need to succeed - Updated fact files and case studies give profiles of real business, so students can understand the real-world context of what they're learning - Practice exercises and case studies with questions throughout allow students to apply their knowledge and prepare for assessment - Answer guides support teaching and save time in marking

The second edition of Services Marketing, with an enhanced conceptual foundation, meets this requirement of students, managers and marketing professionals. The enhanced pedagogy and coverage in this edition in conjunction with the lucid and pithy style of the author make this book perfect for students of business administration, commerce and management.
