trade.

History - Nigerian Ports Authority

I totally condemn the attacks on the peacefully protesting youths at the Leki toll gate yesterday. However, some pertinent questions must be answered. What if Tinubu was responsible for the mayhem? What if it was political manipulations to end Tinubu's reign in Lagos? What if it was directed at taking Lagos by force in 2023?

he exhorts against fraud. Here, he scares the opinion that even though Slave trade, Scramble and Partition as well as Colonialism had come- and gone the impact of those social vices are still being felt. He indicates that people still hide under the canopy (and/or shadow) of such vices and use those as excuses for the socio-politico-economic problems ravaging our nations. He suggests that it is time to let go of the past and move forward. That, it is time to divest ourselves of the spirit of atomism, and imbibe ourselves with the spirit of collectivism and thereby work together towards identifying the various particles of problems that have thus far conglomerated in submerging our nations in economic backwardness. He strongly advocates that it is time to emancipate ourselves from mental encumbrances and thereby realize that we are the only ones who can save our nations from economic squalor. But, he maintains that while he does not profess to have gotten all the (right) answers to our economic and socio-politico anomalies, the suggestions contained herein are a pointer in the right direction and only a mere attempt in that regard.
