RECOMMENDED FOR READERS 18 AND OLDER DUE TO STRONG LANGUAGE, SEXUAL SITUATIONS, AND VIOLENCE. This is Book 1 of 3 in the Nine Minutes Trilogy On May 15, 1975, fifteen-year-old Ginny Lemon is abducted from a convenience store in Fort Lauderdale by a member of one of the most notorious and brutal motorcycle gangs in South Florida. From that moment on, her life is forever changed. She gets a new name, a new identity and a new life in the midst of the gang's base on the edge of the Florida Everglades—a frightening, rough and violent world much like the swamps themselves, where everyone has an alias and loyalty is tantamount to survival. And at the center of it all is the gang's leader, Grizz: massive, ruggedly handsome, terrifying and somehow, when it comes to Ginny, tender. She becomes his obsession and the one true love of his life. So begins a tale of emotional obsession and manipulation, of a young woman ripped from everything she knows and forced to lean on the one person who provides attention, affection and care: her captor. Precocious and intelligent, but still very much a teenager, Ginny struggles to adapt to her existence, initially fighting and then coming to terms with her captivity. Will she be rescued? Will she escape? Will she get out alive—or get out at all? Part psychological thriller, part coming-of-age novel, filled with mystery, romance and unexpected turns, Nine Minutes takes readers into the world of one motorcycle gang and inside the heart of a young girl, whose abduction brought about its fall.

RECOMMENDED FOR READERS 18 AND OLDER DUE TO STRONG LANGUAGE, SEXUAL SITUATIONS, AND VIOLENCE. This is Book 3 of 3 in the Nine Minutes Trilogy A Gift of Time is the third installment in the Nine Minutes Trilogy. It is not intended to be a stand-alone novel, but could be read as one. Still, I highly recommend that you read my first two novels, Nine Minutes and Out of Time, to be able to understand the background stories of the main characters. There are many twists and turns in both books that can best be connected if read consecutively. Are some secrets meant to stay buried? Three months have passed since Jason "Grizz" Talbot was put to death by lethal injection for crimes he committed. His former wife, Ginny, whom he had abducted from a convenience store when she was a teenager and became the love obsession of his life, has spent more than the last decade trying to carve out a life of normalcy in the bustling suburbs of Fort Lauderdale—including a thriving and happy marriage to Tommy "Grunt" Dillon, a former member of Grizz's gang. Tired of the secrets and the lies, Ginny and Tommy thought the final piece of their past could be left behind forever with Grizz's execution. However, the past comes crashing around Ginny and Tommy when a newly discovered secret threatens to destroy their marriage. When tragedy strikes, Ginny is forced to reach into her heart and decide, once and for all, what she really wants. In this third book in the Nine Minutes trilogy, A Gift of Time takes readers from the busy tropical metropolis of South Florida into the serenity of the North Carolina Blue Ridge mountains as Ginny chases down the answers she needs. Will she have the strength to confront the secrets of her past...and her heart?

My family has secrets. I'm always the good girl, doing what's necessary to keep my loved ones safe. I've kept the darkest secrets from everyone I know. As painful as it is to hold them all inside where they live and gnaw away at me, that's where they must stay.I haven't seen my closest childhood friend, Christian Bear, since I was a teenager—he hasn't changed a bit. He's still temperamental and plays by his own rules with the law following two steps behind him.Christian remembers me. But he doesn't know the first thing about me anymore. I should've shared my feelings with him the day before I moved away with my family, promising him I'd stay in touch. It broke my heart when he didn't keep his end of the bargain. As a consequence, we haven't spoken in years. Even though Christian and I have always had undeniable chemistry, I won't let him shatter my heart a second time.Christian has shown up in my life again with secrets of his own, and demanding answers. That doesn't mean I'm willing to give them. He'll know my secrets when I'm ready.Our secrets, the risks we're taking, and the danger he imposes make it impossible to know what our future holds.Either our tethered souls will bind back together, or our secrets will separate us forever.Tethered Souls is the second spin-off novel from The Nine Minutes Trilogy. It can be read as a standalone, but would most likely be more enjoyable if read after Nine Minutes, Out of Time, and A Gift of Time. It contains major spoilers from the trilogy, and although not necessary, the reader might benefit by understanding the background stories of the main characters that are described in the series. There are many twists and turns in all my books that can best be connected if read consecutively. RECOMMENDED FOR READERS 18 AND OLDER DUE TO STRONG LANGUAGE, SEXUAL SITUATIONS, AND VIOLENCE.

FIRST LOVE ISN'T FOREVER... Exhibit A: Faith's little sister, Skye, who muddled through her first divorce at the tender age of twenty-one. Faith has always provided damage control when Skye's love life gets too reminiscent of a daytime drama. BUT NEVER SAY NEVER! Faith has been putting off this homecoming for years, ever since her dad left her family in the lurch, her mother left her in charge of Skye, and a sub-zero case of cold feet led her to call off the engagement to her high school sweetheart, Flynn. But a return to the amber fields of grain might just be what Faith needs to gain some perspective on her past -- and figure out her future. It's been way too long since her last love affair...memories of Flynn still get in the way of every man she meets. But if she and Flynn are really meant to be, why does the path to happily-ever-after have so many potholes?

RECOMMENDED FOR READERS 18 AND OLDER DUE TO STRONG LANGUAGE, SEXUAL SITUATIONS AND VIOLENCEThis is Book 2 of 3 in the Nine Minutes Trilogy. Out of Time is not a standalone novel. I highly recommend that you read my first novel, Nine Minutes, to be able to understand the background stories of the main characters. There are many twists and turns in both books that can best be connected if read consecutively.Although I do answer the outstanding questions from Nine Minutes, there is more to this story, and some readers may consider it a cliffhanger. Other readers may be satisfied with the answers and the ending. Regardless of which category you fall into, I hope you enjoy the story.They thought with his execution it would all be over. They were wrong.The leader of one of South Florida's most notorious and brutal motorcycle gangs has been put to death by lethal injection. Days later, his family and friends should have been picking up the pieces, moving on. Instead, they've been catapulted into a world so twisted and dangerous even the most ruthless among them would be stunned to discover the tangled web of deception, not only on the dangerous streets of South Florida but all the way to the top. In this gripping follow-up novel to Nine Minutes, Out of Time takes readers from the sun-drenched flatlands of 1950s Central Florida to the vivid tropical heat of Fort Lauderdale to the halls of Florida's Death Row as we finally learn the gritty backstory of Jason "Grizz" Talbot and the secret he spent his life trying to conceal. Not even Grizz's inner circle knows his full story—the tragedy that enveloped his early life, the surprise discovery that made him the government's most wanted and most feared, and the depths of his love for Ginny, the tenderhearted innocent he'd once abducted and later made his wife.Once Grizz's obsession and now the mother of his child, Ginny has spent years grieving the man she'd first resisted and then came to love. Now remarried to Tommy, a former member of the gang, the pair have spent more than a decade trying desperately to live a normal existence far from the violent, crime-ridden world they'd once carved out on the edge of the Florida Everglades. For Tommy, especially, the stakes are high. Desperately in love with Ginny for years, he's finally living his dream: married to the woman he never thought he could have. But even with the stede of normalcy—thriving careers, two beautiful children, and a genuinely happy and loving marriage—they can't seem to put the past behind them. Every time they turn around, another secret is revealed, unraveling the very bonds that hold them together. And with Grizz finally put to death, now Ginny has learned secrets so dark, so evil she's not even sure she can go on. Will these secrets tear their love to pieces? And how far will Grizz go to protect what he still considers his, even from beyond the grave?
