The Prayer Quake, Breakthrough & Deliverance Manual is a powerful compendium of prayers designed to wage warfare against the satanic forces of darkness at work against every area of your life. These prayers are reminiscent of the desperate cry of Isaiah in Isaiah 64:1-2 that God would rip the heavens apart and come down; that the mountain would melt at his presence and that God would make himself known to his enemies. It is this urgent cry for help which has pervaded the lives of many people who are crying out desperately for divine intervention; that has led the author to develop a series of prayers focused on inviting the power of God to come down and fight against every enemy militating against your life, destiny, family, career, business and ministry. Chains will be broken, yokes will be destroyed and burdens will be lifted as you invite the power of God to come down and make himself known to your enemies who are fighting against you relentlessly. I don't know what you are going through today but I prophetically declare to you that Help is on the way! Stuck between a rock and a hard place? HELP is on the way! Struggling financially to make ends meet? HELP is on the way! Feeling to quit and give up now? HELP is on the way! Pressures and struggles of life are seeking to drown you in despair? HELP is on the way! Whatever situation you are facing right now lift your hands and shout HELP ME LORD! May the God who answers by fire, give you the victory today.
