~~C++'s origins date back to 1979, when Bjarne Stroustrup, the programming language's creator, first began work on the language that was then known as "C with Classes". The language was initially...~~

~~C++ programming language: How it became the invisible...~~

~~Welcome to Bjarne Stroustrup's homepage! I'm a Technical Fellow and a Managing Director in the technology division of Morgan Stanley in New York City and a Visiting Professor in Computer Science at Columbia University. I designed and implemented the C++ programming language. To make C++ a stable and up-to-date base for real-world software development, I have stuck with its ISO standards effort for almost 30 years (so far).~~

~~Bjarne Stroustrup's Homepage~~

~~The last part of " The C++ Programming Language by Bjarne Stroustrup " is about design using C++, and includes three chapters: development and design, design and programming and roles of classes. The C++ grammar, compatibility and technicalities have seen discussed at the end in Appendices.~~

~~The C++ Programming Language pdf—Bjarne Stroustrup...~~

~~C++ (/ s i p l s p l s /) is a general-purpose programming language created by Bjarne Stroustrup as an extension of the C programming language, or "C with Classes".The language has expanded significantly over time, and modern C++ now has object-oriented, generic, and functional features in addition to facilities for low-level memory manipulation. It is almost always ...~~

~~Morgan Stanley hired Bjarne Stroustrup, the inventor of C++, in 2014. Even then he was a big catch: Stroustrup had spent almost entirely in academia - mostly at Texas A&M University.~~

~~The world's top C++ programmer. And what he does at Morgan...~~

~~Per Bjarne, the book is meant more as both an introduction to comp. I first ran across the Programming Principles and Practice Using C++ book while I was searching for books that covered the new features introduced in C++11 and was surprised to see that this book covered both C++11 and C++14, and from the creator of C++, Bjarne Stroustrup himself. I was aware of Bjarne Stroustrup ' s well renowned The C++ Programming Language book, but I hadn ' t heard or seen the Principles and Practice ...~~
