Rubin's Pathology: Clinicopathologic Foundations of ...

As is implied in the rather ambitious subtitle, Rubin's Pathology: Clinicopathologic Foundations of Medicine aims to present information that is "worth knowing" in applied pathology to its intended audience: medical students, pathology trainees, and others who have an interest in this nexus of basic science and clinical medicine. In this regard, the book seems to be on target.

Rubin's Pathology: Clinicopathologic Foundations of ...  
Students and instructors have complementary roles and needs as participants in the educational process. This book is intended to help modern medical students learn—and to help instructors teach—pathology as a foundation of clinical medicine. So much has happened to change what and how medical students are taught.
