15 Slot Machine Tricks That Really Work | CoolCat Casino

Reverse martingale strategy doesn't work that well for high rollers, as they'll hit the maximum bet of a slot quite often. Tips for Reverse Martingale strategy: When you hit a win with your initial bet, write down your current balance (before the win is added to it). This will help you to do the proper math and you'll be less likely to exceed the bet which would lead to losing the balance dedicated for the small initial bets.
