SAS Business Series, authored by Michael Gilliland, Len Tashman, and Udo Sglavo. Like the previous recommendation, this is a foundational book that covers a multitude of topics and compiles some of the field's most important and influential articles into a single book for reference and enlightenment.

Business Forecasting: Practical Problems and Solutions ...

For business forecasting, the objective should be: To generate forecasts as accurate and unbiased as can reasonably be expected—and to do this as efficiently as possible. The goal is not 100% accurate forecasts—that is wildly impossible. The goal is to try to get your forecast in the ballpark, good enough to help you make better decisions.

Business Forecasting: Practical Problems and Solutions

Business Forecasting The information age has brought greater interconnection across the world and transformed the global marketplace. To remain competitive, business firms look for ways of improving their ability to gauge business and economic conditions worldwide. At the same time, advances in technology have revo-
