Lyrics to 'Song of the Lonely Mountain' by Howard Shore. Far over the Misty Mountains rise Leave us standing upon the height What was before we see once more Is our kingdom a distant light

~~Howard Shore - Song Of The Lonely Mountain Lyrics ...~~

Fiery mountain beneath the moon The words unspoken, we'll be there soon For home a song that echoes on And all who find us will know the tune Some folk we never forget Some kind we never forgive Haven't seen the back of us yet We'll fight as long as we live All eyes on the hidden door To the Lonely Mountain borne We'll ride in the gathering storm

In J. R. R. Tolkien's Middle-earth legendarium, the Lonely Mountain is a mountain in the north of Wilderland.It is the location of the Dwarvish Kingdom under the Mountain.The town of Dale lies in a vale on its southern slopes. In The Lord of the Rings, the mountain is called by the Sindarin name Erebor. The Lonely Mountain is the goal of the protagonists in The Hobbit, and the scene of the climax.

~~Lonely Mountain - Wikipedia~~

Gently taking you into its soaring tale visiting heights so often longed for, but rarely experienced. It is a song of history, hope, determination of the dwarves, driven from their ancient home beneath the Lonely Mountain, of Middle Earth. It is all here, and they are to reclaim their ancient home and gold.

"Song of the Lonely Mountain" is the first commercially released selection from the original motion picture soundtrack of The Hobbit: An Unexpected Journey. This officially licensed piano/vocal/guitar sheet music lets music makers bring the sounds of Middle Earth to life with a Celtic-infused melody, and lyrics that foretell an epic journey.

A number-one New York Times bestseller when it was originally published, THE SILMARILLION is the core of J.R.R. Tolkien's imaginative writing, a work whose origins stretch back to a time long before THE HOBBIT. Tolkien considered THE SILMARILLION his most important work, and, though it was published last and posthumously, this great collection of tales and legends clearly sets the stage for all his other writing. The story of the creation of the world and of the the First Age, this is the ancient drama to which the characters in THE LORD OF THE RINGS look back and in whose events some of them, such as Elrond and Galadriel, took part. The three Silmarils were jewels created by Feanor, most gifted of the Elves. Within them was imprisoned the Light of the Two Trees of Valinor before the Trees themselves were destroyed by Morgoth, the first Dark Lord. Thereafter, the unsullied Light of Valinor lived on only in the Silmarils, but they were seized by Morgoth and set in his crown, which was guarded in the impenetrable fortress of Angband in the north of Middle-earth. THE SILMARILLION is the history of the rebellion of Feanor and his kindred against the gods, their exile from Valinor and return to Middle-earth, and their war, hopeless despite all their heroism, against the great Enemy. This second edition features a letter written by J.R.R. Tolkien describing his intentions for the book, which serves as a brilliant exposition of his conception of the earlier Ages of Middle-earth.

Play selections from Howard Shore's brilliant score to The Hobbit: An Unexpected Journey! The eight arrangements in this collection are notably easier to play than those in the separately published piano/vocal edition. For The Hobbit, Howard Shore masterfully expands upon the musical palette of Middle-earth, blending familiar motifs from the The Lord of the Rings trilogy with an exciting array of memorable new themes. In addition to the piano arrangements, this beautifully produced souvenir folio features an array of colorful photos from the film. Titles: \* An Unexpected Party \* Misty Mountains \* The Adventure Begins \* Song of the Lonely Mountain \* Dreaming of Bag End \* A Very Respectable Hobbit \* Erebor \* The Dwarf Lords

Join the hobbit, Bilbo Baggins, Gandalf the wizard and the Company of Dwarves on their Quest to recover treasure stolen by the Dragon, Smaug the Magnificent. Leaving the comfort of Bilbo's home they must face many perils before they can claim their long-lost gold -- Trolls, Elves, Goblins, Wargs, and worse... Richly illustrated with more than 100 color photos from the film, The Hobbit: An Unexpected Journey Visual Companion begins the Quest for the Lonely Mountain in spectacular style.

Bilbo's Last Song is considered by many to be Tolkien's epilogue to his classic work The Lord of the Rings. As Bilbo Baggins takes his final voyage to the Undying Lands, he must say goodbye to Middle-earth. Poignant and lyrical, the song is both a longing to set forth on his ultimate journey and a tender farewell to friends left behind. Pauline Baynes's jewel-like illustrations lushly depict both this final voyage and scenes from The Hobbit, as Bilbo remembers his first journey while he prepares for his last.

After discovering the true nature of the One Ring, Bilbo Baggins entrusts it to the care of his young cousin, Frodo, who is charged with bringing about its destruction and thus foiling the plans of the Dark Lord.
