The Reconstruction era was the period after the American Civil War from 1865 to 1877, during which the United States grappled with the challenges of reintegrating into the Union the states that had seceded and determining the legal status of African Americans. Presidential Reconstruction, from 1865 to 1867, required little of the former Confederate states and leaders. Radical Reconstruction attempted to give African Americans full equality.

The Americans: Reconstruction through the 20th Century ...

The Reconstruction era was the period in American history that lasted from 1863 to 1877 following the American Civil War (1861-65) and is a significant chapter in the history of American civil rights. Reconstruction ended the remnants of Confederate secession and abolished slavery, making the newly freed slaves citizens with civil rights ostensibly guaranteed by three new constitutional amendments.

Reconstruction era - Wikipedia

The Reconstruction era was a period of healing and rebuilding in the Southern United States following the American Civil War (1861-1865) that played a critical role in the history of civil rights and racial equality in America.

The Reconstruction Era (1865-1877)

Reconstruction was a time of rebuilding the the United States after the tumultuous years of the Civil War. It lasted from the end of Civil War in 1865 to the Compromise of 1877 when Rutherford B. Hayes was given the presidency in exchange for removing federal troops from Southern states.

Timeline of the Reconstruction Era - ThoughtCo

American Reconstruction began in 1865 at the end of the civil war. The period's main focus was to rebuild the country after war by enacting and changing many key pieces of legislature in the American government. One divisive factor that needed to be addressed was how much representation African Americans deserved in America.

The Failure of Reconstruction Reconstruction in American society after the Civil War, which claimed many lives and displaced numerous families, was a period of integration of the Freedmen into the society by granting them their political and civil rights.

African Americans and Southern Racism During Reconstruction

Introduction After the American Civil War ended in April 1865 the United States went through a period known as Reconstruction. The Union (the Northern states) had defeated the Confederacy (the Southern states that had left the Union). From 1865 to 1877 the two sides worked to put the United States back together.
