Saddam Hussein's invasion of Kuwait in August 1990 sparked the final major crisis of King Hussein's reign. During the 1980s Jordan had developed intimate commercial and political ties with Iraq. The invasion prompted UN trade sanctions on Baghdad, and Washington and its Gulf allies set about creating a military coalition to liberate Kuwait.

was a two-day operation conducted by Iraq against the neighboring State of Kuwait, which resulted in the seven-month-long Iraqi occupation of the country. This invasion and Iraq's subsequent refusal to withdraw from Kuwait by a deadline mandated by the United Nations led to military intervention by a United Nations-authorized coalition of forces led by the United States. These events came to be known as the first Gulf War and resulted in the expulsion of I
