Portraiture in clay is a demanding but infinitely enjoyable and rewarding art. Both beginners and more experienced students will benefit from the structured, but individual approach taught on this three-day course – which aims to lay the foundations for both accuracy and expressive freedom in the longer term.

The Portrait in Clay: A Technical, Artistic, and ...

Portraits in Clay. by AMACO Brent. Sculpture, as an art form, has a long history, and the human figure has been a basic subject of sculpture since its earliest beginnings. Each human face and figure is distinct, and artists throughout history have always been fascinated by this uniqueness. This lesson teaches elementary students to create clay sculptures of a human head with low-fire clay and underglazes.
