From internationally recognized creator of Career Stories comes a guide to find or create your dream job-by starting with the stories you tell about yourself.

Discusses methods of storytelling, and encourages the storyteller to think on their feet, by using facial expressions, voice control, timing, hand movements, style, imagery, and other details that enhance a tale-telling session

Many of us would love to hold the attention of a crowd, a classroom, or just a group of our friends by telling them a great story. We have felt the pressure of a public presentation or the disappointment of a story that is ignored and we are ready for more. In The Art of Storytelling, John Walsh talks through the steps to presenting a compelling story, outlining the strategies that helped him move from stutterer to storyteller as he fulfilled his calling of becoming a preacher. This book will help any person with a story to share, as it talks through all aspects of presentation, from what to do with your hands as you speak, to crafting a killer ending. It is especially relevant those who teach through the stories of the Bible or who would like to do so.

HARNESS THE UNIVERSAL POWER OF STORYTELLING TO IMPROVE ALL OF YOUR BUSINESS COMMUNICATIONS. What ' s your story? It ' s a question human beings have been asking each other since we first gathered around a campfire. Millennia later, this human need for storytelling hasn ' t changed. We communicate most effectively through our personal stories—and our professional success depends on it. This groundbreaking guide shows you how to tap into the timeless power of storytelling to transform your business. Here, executive coach, motivational speaker, and psychologist Murray Nossel, PhD, distills decades of experience into a simple method that will enable you to: • Find the right story for a particular audience and purpose. • Leverage your own experiences, memories, history, and heritage. • Create, develop, and craft a universal story that resonates. • Connect with business associates on a more personal, reliable level. • Share your corporate vision and goals—and get others on board. • Resolve workplace conflicts and find workable solutions. • Boost creativity, spread ideas, and spark true innovation. • Improve teamwork and collaboration through listening and learning. • Integrate storytelling into all your communications for ongoing success. You ' ll learn the proven three-step method Murray ' s firm, Narativ, uses with its clients, ranging from Fortune 500 companies to nonprofits. First, you excavate your personal memories and experiences to generate story ideas that suit your particular needs. Second, you craft and shape these elements into a classic story structure that really connects with audiences. Third, you present your story to your business audience using simple performance techniques that anyone can master. A fundamental element of this method is a focus on listening: the ability to hear yourself, as well as the feedback provided by a given audience because it is your audience ' s listening that shapes your telling. Everyone needs to communicate well to succeed in business. And everyone has a story to tell. Powered by Storytelling shows you how to tell your story, connect with your audience, and achieve results.

This book highlights storytelling as a concrete and viable method which can be used in various operational fields in organizations: from change management to project management and knowledge management, it presents employees ' stories on past projects and the diverse, essential aspects of corporate culture they reveal, in an easy-to-comprehend and entertaining fashion. These stories focus on specific but generic experiences which can be adapted and exploited by the reader to ultimately tap into hidden knowledge and increase transparency during daily routines in his or her own organization. Knowledge managers, coaches, and strategists alike will find a 'real-life' connection through these stories, helping them improve their own storytelling methods. The book also provides exhaustive information on the latest storytelling methods and strategies. The adaptations Thier has made to bring learning histories to corporate settings accelerates the capture, flow, and application of organizational knowledge that speeds up changes to improve operations! George Roth (Principal Research Associate at MIT Sloan School of Management, Boston, United States)

Do you need help telling your story? Do you have a story inside, but you're not sure how to tell it... or if it's even worth telling?
