~~Twilight of the Money Gods: Economics as a Religion and...~~

In his book, Twilight of the Money Gods – Economics as a Religion and How it all Went Wrong, John Rapley follows a similar dialectic approach with regard to the economics profession. The book consists of two elements: an excellent history of political economy and an analysis of the various schools of thought in economics seen as religions – in other words mythologies.

~~Twilight of the Money Gods – Economics as a Religion and...~~

It certainly doesn't make a case that economics is a religion, or that it went wrong, or that professional economists are money gods or are facing twilight. As best I can tell, and I admit to guessing, there are three reasons the author compares economics to religion.

Twilight of the Money Gods is the story of economics, told not as the science it strove to be, but as the religion it became. Over two centuries, it searched for the hidden codes which would reveal the path to a promised land of material abundance. While its prophets, from Adam Smith to John Maynard Keynes and Milton Friedman, concerned themselves with the human condition, its priesthood gradually grew remote from its followers, until it lost sight of their tribulations.

An authoritative and riveting account of the final phase of the War in the Pacific, Twilight of the Gods brings Toll ' s masterful trilogy to a thrilling conclusion. This prize-winning and best-selling trilogy will stand as the first complete history of the Pacific War in more than twenty-five years, and the first multivolume history of the Pacific naval war since Samuel Eliot Morison ' s series was published in the 1950s.

Even so, the thrust of John Rapley ' s argument in Twilight of the Money Gods is that, however dishonest Gove may have been about the consequences of Brexit, he was right to query the credentials of economics as a discipline and the status of economists as prophetic seers. Under modern capitalism, he argues, economics has replaced religion and economists have become its priests.
