Wild Things (1998) - Plot Summary - IMDb

The definitive true story of Wild Bill, the first lawman of the Wild West, by the #1 New York Times bestselling author of Dodge City. In July 1865, "Wild Bill" Hickok shot and killed Davis Tutt in Springfield, MO—the first quick-draw duel on the frontier. Thus began the reputation that made him a marked man to every gunslinger in the Wild West.

Everybody in the unlicensed fight game knows that only one man has the honour of being titled 'Guv'nor' - and that man is Lew 'Wild Thing' Yates. Yates began boxing at the age of six, and as an adult he was ruthless in pursuit of his dream of becoming world heavyweight champion. But when his licence was revoked following an assault on a referee, he turned to unlicensed boxing. By day, Yates pounded punchbags and the streets in an effort to reach the peak of physical fitness as he prepared for his epic battle with Roy 'Pretty Boy' Shaw. At night, he pounded gangsters and drug dealers foolish enough to take him on in the nightclubs where he worked. Wild Thing documents how Yates rose to the top of his bloody profession. When it comes to his fighting ability, he doesn't need to boast, brag or exaggerate. With Lew Yates, what you see is what you hope you're never going to get. This is his remarkable story.

It's hard to find work as a doctor when using your real name will get you killed. So hard that when a reclusive billionaire offers Dr. Peter Brown, aka Pietro Brnwa, a job accompanying a sexy but self-destructive paleontologist on the world's worst field assignment, Brown has no real choice but to say

yes. Even if it means that an army of murderers, mobsters, and international drug dealers -- not to mention the occasional lake monster -- are about to have a serious Pietro Brnwa problem. Facing new and old monsters alike, Dr. Brnwa's story continues in this darkly funny and lightning-paced follow up to Josh Bazell's bestselling debut.

New York Times Book Review • "The Best Books to Give This Year" Publishers Weekly • Best Books of the Year (Nonfiction) A shattering new biography of rock music's most outrageous—and tragic—genius. Over fifty years after his death, Jimi Hendrix (1942–1970) is celebrated as the greatest rock guitarist of all time. But before he was setting guitars and the world aflame, James Marshall Hendrix was a shy kid in Seattle, plucking at a broken ukulele and in fear of a father who would hit him for playing left-handed. Bringing Jimi's story to vivid life against the backdrop of midcentury rock, and with a wealth of new information, acclaimed music biographer Philip Norman delivers a captivating and definitive portrait of a musical legend. Drawing from unprecedented access to Jimi's brother, Leon Hendrix, who provides disturbing details about their childhood, as well as Kathy Etchingham and Linda Keith, the two women who played vital roles in Jimi's rise to stardom, Norman traces Jimi's life from playing in clubs on the segregated Chitlin' Circuit, where he encountered daily racism, to barely surviving in New York's Greenwich Village, where was taken up by the Animals' bass player Chas Chandler in 1966 and exported to Swinging London and international stardom. For four staggering years, from 1966 to 1970, Jimi totally rewrote the rules of rock stardom, notably at Monterey and Woodstock (where he played his protest-infused rendition of the "Star-Spangled Banner"), while becoming the highest-paid musician of his day. But it all abruptly ended in the shabby basement of a London hotel with Jimi's too-early death. With remarkable detail, *Wild Thing* finally reveals the truth

behind this long-shrouded tragedy. Norman's exhaustive research reveals a young man who was as shy and polite in private as he was outrageous in public, whose insecurity about his singing voice could never be allayed by his instrumental genius, and whose unavailing efforts to please his father left him searching for the family he felt he never truly had. Filled with insights into the greatest moments in rock history, *Wild Thing* is a mesmerizing account of music's most enduring and endearing figures.

A headstrong girl. A stray cat. A wild boy. A man who plays with fire. Eleven-year-old Zoë trusts no one. Her father left before she was born. At the death of her irresponsible mother, Zoë goes to live with her uncle, former surgeon and famed metal sculptor Dr. Henry Royster. She's sure Henry will fail her as everyone else has. Reclusive since his wife's death, Henry takes Zoë to Sugar Hill, North Carolina, where he welds sculptures as stormy as his moods. Zoë and Henry have much in common: brains, fiery and creative natures, and badly broken hearts. Zoë confronts small-town prejudice with a quick temper. She warms to Henry's odd but devoted friends, meets a mysterious teenage boy living wild in the neighboring woods, and works to win the trust of a feral cat while struggling to trust in anyone herself. In this ALA Notable Children's Book and Kirkus Reviews Best Children's Book of the Year, Zoë's questing spirit leads her to uncover the wild boy's identity, lay bare a local lie, and begin to understand the true power of Henry's art. Then one decisive night, she and the boy risk everything in a reckless act of heroism.

Max is sent to bed without supper and imagines sailing away to the land of Wild Things, where he is made king.

Scholar and award-winning author Faith Fitzgerald has every reason to be happy: a wealthy, charming man who adores her and a family cheering her marriage prospects. But from the moment she meets Eric's sister, Sydney Van Allen, she knows her safe, predictable feelings for him are a shadow of what could be. Openly lesbian and running for Senator, Sydney can only succeed if she can live down her wild past. That means no liaisons, especially with the achingly alluring woman on her brother's arm who looks at her with confusion—and desire.

Traces the personal crisis the author endured after the death of her mother and a painful divorce, which prompted her ambition to undertake a dangerous 1,100-mile solo hike that both drove her to rock bottom and helped her to heal.

After settling in Ashland, Ohio, Winnie Willis discovers a beautiful but mistreated Arabian mare who is known as Wild Thing because nobody has been able to train her, and trusts in her Christian faith to find a way to help.
