Book review: Witchcraft: A Handbook of Magic Spells and Potions by Anastasia Greywolf. Few amongst us have not heard the classic adage, “ never judge a book by its cover ” . Wise as this advice is, chances are most people have done just that at least a time or two. If a dark, mysterious, full-on #witchaesthetic worthy cover is your cup of herbal tea, then you ’ ll likely melt faster than a beeswax candle left in the summer sun for the front of the book at the heart of today ’ s post ...

Buckland's Complete Book of Witchcraft has influenced and guided countless students, coven initiates, and solitaries around the world. One of modern Wicca's most recommended books, this comprehensive text features a step-by-step course in Witchcraft, with photographs and illustrations, rituals, beliefs, history, and lore, as well as instruction in spellwork, divination, herbalism, healing, channeling, dreamwork, sabbats, esbats, covens, and solitary practice. The workbook format includes exam questions at the end of each lesson, so you can build a permanent record of your spiritual and magical training. This complete self-study course in modern Wicca is a treasured classic—an essential and trusted guide that belongs in every Witch's library. Praise: "A masterwork by one of the great Elders of the Craft. Raymond Buckland has presented a treasure trove of Wiccan lore. It is a legacy that will provide magic, beauty, and wisdom to future generations of those who seek the ancient paths of the Old Religion."—Ed Fitch, author of *Magical Rites from the Crystal Well* "I read Buckland's Complete Book of Witchcraft with much pleasure. This book contains enough information and know-how for all approaches: the historical, the philosophical, and the pragmatic . . . quite entertaining, as much for the armchair enthusiast as for the practicing occultist."—Marion Zimmer Bradley, author of *The Mists of Avalon* "Never in the history of the Craft has a single book educated as many people, spurred as many spiritual paths, or conjured as much personal possibility as Buckland's Complete Book of Witchcraft."—Dorothy Morrison, author of *The Craft*

The keyword of this book is practicality. It is intended for those who want to practice magic without having to read long theoretical books. The Ultimate Book of Magic and Witchcraft allows you to use magic immediately after opening it.

Using the strength of magic, win the heart of the one you love, find out who you ' ll marry, and even get your pets to love each other with this comprehensive compendium of the best charms, spells, and potions about love and friendship. This beautiful tome of love spells drawn from a variety of traditions and spiritualities features gold embossing on its cover, gold endpapers, and beautiful block-print illustrations in

its interior. Love Spells will help you successfully navigate your love life by teaching you how to: Find “ the one ” Get someone to dream about you Make someone tell the truth Conceive a child Make a lover come back Decide if you should break up This book is not just for those looking to improve their romantic life. Love Spells also covers topics left out of many other love magic books, including spells, charms, and potions for maintaining the well-being of platonic friendships and animal friends. Love Spells gives you the tools to: Reconnect with a long-lost friend Heal a rift between best friends Get along with a roommate Get your pet to like your significant other Charm a snake Communicate with animals with your mind You do not have to be a believer in the supernatural to get something out of Love Spells. This book is a must-have for all those who want to improve their relationships, whether it be with friends, pets, or lovers. It will empower you to improve any area of your life. Suspend your disbelief and bring on the magic with Love Spells. The Mystical Handbook series from Wellfleet takes you on a magical journey through the wonderful world of spellcraft and spellcasting. Explore a new practice with each volume and learn how to incorporate spells, rituals, blessings, and cleansings into your daily routine. These portable companions feature beautiful foil-detail covers and color-saturated interiors on a premium paper blend. Other titles in the series include: Witchcraft, Moon Magic, Knot Magic, Superstitions, and House Magic.

16th-century classic debunks witchcraft but offers remarkable primary source of information on witchcraft, witch trials, practice of the black arts. Introduction by Montague Summers. 17 illustrations.

An empowering guide for young witches about the kinds of magic they can create for themselves every day. Intended for children between the ages of eight and twelve, who are curious about the possibility of "something more" in their lives, this handbook focuses on three major areas of the witch's life: friendship, personal fulfillment, and family. Each section includes spells, rituals, potions, and other useful information, such as tables about crystals, chakras, and herbs.

Witchcraft and magic are topics of enduring interest for many reasons. The main one lies in their extraordinary interdisciplinarity: anthropologists, folklorists, historians, and more have contributed to build a body of work of extreme variety and consistence. Of course, this also means that the subjects themselves are not easy to assess. In a very general way, we can define witchcraft as a supernatural means to cause harm, death, or misfortune, while magic also belongs to the field of supernatural, or at least esoteric knowledge, but can be used to less dangerous effects (e.g., divination and astrology). In Western civilization, however, the witch hunt has set a very peculiar perspective in which diabolical witchcraft, the invention of the Sabbat, the persecution of many thousands of (mostly) female and (sometimes) male presumed witches gave way to a phenomenon that is fundamentally different from traditional witchcraft. This Special Issue of Religions dedicated to Witchcraft, Demonology, and Magic features nine articles that deal with four different regions of Europe (England, Germany, Hungary, and Italy) between Late Medieval and Modern times in different contexts and social milieus. Far from pretending to offer a complete picture, they focus on some topics that are central to the research in those fields and fit well in the current “ cumulative concept of Western witchcraft ” that rules out all mono-causality theories, investigating a plurality of causes.

Complete with over 50 spells and information on the magickal tools and traditions of witchcraft, The Book of Spells is the ultimate guide to healing, manifesting your desires, and diving confidently into the mysteries of magick. Calling upon ancient powers and the ways of the Witch, The Book of Spells contains rituals and visualizations for releasing negativity, increasing bliss, healing a broken heart, finding your Spirit guides, embarking on the adventure of astral flight, and more. With the help of timeless myths and fables, as well as author Jamie Della's personal anecdotes, each spell offers empowering insight to help you uncover your innate Divine essence. This beautifully gilded compendium includes need-to-know information on Sabbats and ancient traditions, Gods and Goddesses, and tools of the Craft such as herbs, crystals, tarot archetypes, moon phases, and runes. The Book of Spells is the perfect beginner's guide to following the Path, practicing the Craft, and incorporating magick into your daily life. Advance praise for The Book of Spells “ This book opens the door to a life of magic and inspiration. The most wonderful thing about it is that Jamie actually lives by the book. She ’ s the real deal! The Book of Spells is personal, engaging, and empowering. Her information about the Craft is heartfelt, user-friendly, and a treasure trove of witchy wisdom. You ’ ll love this book whether you are a novice or an expert. Enjoy! ” —Victoria Bearden, nationally renowned astrologer and psychic “ What a sweet book this is. Spells and a lot more for people new to the Craft written by an experienced Witch who practices what she preaches. ” —Barbara Ardinger, author of Goddess Meditations and Finding New Goddesses “ Creative, ethical, and respectful of tradition but modern in focus, these spells are focused on self-healing, rather than forcing your will on others. ” —Anna Korn, Adocentyn Research Library “ Young and old alike find a rainbow of solutions in Jamie Della ’ s self-empowering Book of Spells. Simultaneously bold and inviting, Della ’ s unswerving devotion to self-love, self-awareness, and growth shines through on every page of this gem of a soul ’ s companion guidebook. ” —Tania Pryputniewicz, author of November Butterfly
